Submitting Your Idea

THE FOLLOWING FORM MAY ONLY BE USED TO SUBMIT *NON-CONFIDENTIAL INFORMATION* TO SYNGENTA.

Before proceeding, you must agree with all of the following terms and indicate your agreement by clicking on the "I AGREE to the terms regarding non-confidentiality" check box on the submission form. These terms apply to the use of this website and any submissions made by you.

- ✓ **No Confidentiality.** You agree that your submission only contains non-confidential information. You agree that your submission, and all information contained in it, received by Syngenta will be treated only on a non-confidential basis. You agree that your submission does not create a confidential relationship between you and Syngenta and/or its affiliates (collectively "Syngenta") with respect to the submission.
- ✓ **Warranties.** You warrant that you have the right to disclose the information in the submission and that the disclosure does not breach any contract or obligation between you and a third party (including a former or current employer) and that, to the best of your knowledge, use of the information by Syngenta does not infringe the intellectual property rights of others.
- ✓ **Intellectual Property Rights.** You acknowledge that submission of information that is not already disclosed in a pending patent application may adversely affect your ability to secure patent or other intellectual property protection for your inventions or developments. You acknowledge that if you are concerned about how disclosure to Syngenta may impact your intellectual property rights, you have had the opportunity to seek legal advice prior to any submission.
- ✓ **No Restrictions on Syngenta.** You recognise that Syngenta may already be independently working on or aware of the same or similar technology as that disclosed in your submission and agree that your submission in no way restricts Syngenta's ongoing or future activities.
- ✓ **No Obligations on Syngenta.** You acknowledge that Syngenta assumes no responsibility for information submitted, nor is Syngenta obligated to act on or respond to your submission. You agree that no contractual obligation or working relationship is being created between you and Syngenta by submitting this information. You agree that Syngenta is under no obligation to enter into any further agreement with respect to your submission and that it is in Syngenta's sole discretion as to whether you and Syngenta pursue further technical and/or business discussions. You agree that you will not be compensated for your submission unless otherwise set forth under a separate agreement.
