Some Syngenta websites will post representative questions and answers that we believe may be of interest to other registered users. Please review the section of these terms and conditions regarding submissions before sending us any information.

Not an offer or invitation to invest

The information on this Site does not constitute and shall not be deemed as an offer or invitation to invest or otherwise deal in shares or other securities of Syngenta. Nor is any such offer or invitation being made or solicited. Securities’ prices, and income from those securities, may go up or down at any time, and potential investors should be aware that past performance is not necessarily an indication of future performance. Potential investors should seek independent financial advice prior to any investment decision.

Forward-looking statements

Our Site may contain forward-looking statements - e.g. statements not of historical fact, including statements about our beliefs and expectations. These statements, which can be identified by terms such as, but not limited to, ‘expect’, ‘would’, ‘will’, ‘potential’, ‘plans’, ‘prospects’, ‘estimated’, ‘aiming’, ‘on track’ and similar expressions are based on current plans, estimates and projections, with regard to which Syngenta shall in no way be liable and on which you and your company should not place undue reliance. These statements involve inherent risks and uncertainties, many of which are outside of Syngenta's control. Forward looking statements speak only as of the date they are made and Syngenta undertakes no obligation to update any of them in light of new information or future events.

Disclaimer of warranties

This Site is provided on an "as is," "as available" basis, without representations or warranties of any kind. To the fullest extent permitted under applicable law, the Syngenta entities and their respective service providers and licensors disclaim all warranties, express, implied, statutory or otherwise. Without limiting the foregoing, to the fullest extent permitted by law, the Syngenta entities and their respective service providers and licensors hereby disclaim (a) all warranties of merchantability, fitness for a particular purpose, title and non-infringement with respect to this Site and its content and any products or services described on or made available through this Site; (b) warranties relating to delays, interruptions, errors, or omissions in the operation of this Site or any part of this Site; (c) warranties relating to the transmission or delivery of this Site or its availability at any particular time or location; (d) warranties relating to the security of this Site or that the Content of this Site is free of viruses, worms or other code that may manifest contaminating or destructive properties; (e) warranties relating to the use, validity, accuracy, currency, completeness, suitability, reliability, or the results of the use of this Site, including any Content, including product labels, products or services made available through this Site; and (f) warranties relating to websites to which this Site is linked.

Certain jurisdictions do not allow disclaimers of certain warranties or limitations on how long an implied warranty lasts, so one or all of the foregoing limitations may not apply to you and/or your company.

Limitation of liability

Your and your company's use of this Site, its Content, including product labels, and any products, programs or services made available through this Site is at your and your company's sole risk. Under no circumstances shall the Syngenta entities or their respective service providers and licensors, including their respective directors, officers, employees, or agents, be liable for any losses or damages arising out of or in connection with your or your company's access of, use of, or inability to use, this Site, its content, including product labels, or any products, programs or services made available through this site or your or your company's reliance on any information provided through this site. Without limiting the foregoing, the Syngenta entities and their respective service providers and licensors shall not be liable in any way for possible errors or omissions in the content; this applies in particular to any information about products, programs and services supplied by the Syngenta entities. This is a comprehensive limitation of liability that applies to all losses and damages of any kind whatsoever, whether direct or indirect, general, special, incidental, consequential, exemplary or otherwise, including without limitation, interruption of business, loss of or damage to data or goodwill, and loss of revenue or profits.

This limitation of liability shall apply to the fullest extent permitted by applicable law, whether the alleged liability is based on contract, negligence, tort, strict liability or any other basis and even if an authorized representative of any of the Syngenta entities has been advised of or should have known of the possibility of such damages, and without regard to the effectiveness of other remedies.

You and your company acknowledge and agree that Syngenta could not make this Site and its Content available to you and your company at no charge if their liability were not limited as set forth above.

If any of these limitations of liability is found to be invalid or unenforceable for any reason, then the aggregate liability of the Syngenta entities and their respective service providers and licensors under such circumstances for liabilities that otherwise would have been limited shall not exceed one hundred (\$100.00) dollars (or the local currency equivalent).

Certain jurisdictions do not allow the limitation of certain damages, so some or all of this limitation of liability may not apply to you and/or your company and you and/or your company may have additional rights.

Governing law and jurisdiction

The ordinary courts of Basel, Canton of Basel-Stadt, Switzerland, shall have exclusive jurisdiction for any claims relating to these terms and conditions.

Waiver

Our failure at any time to require performance of any provision of these terms and conditions or to exercise any right provided for herein shall not be deemed a waiver of such provision or such right. All waivers must be in writing and signed by the party to be bound. Unless the written waiver contains an express statement to the contrary, no waiver by Syngenta of any breach of any provision of these terms and conditions of any right provided for herein shall be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any right under these terms and conditions.

Severability

If any provision of these terms and conditions is held by a court of competent jurisdiction to be contrary to law, such provision shall be changed and interpreted so as to best accomplish the objectives of the

original provision to the fullest extent allowed by law and the remaining provisions of these terms and conditions shall remain in full force and effect.
